

TRAINS TO RUN UNDER HUDSON BY SEPTEMBER

Trunk Lines to Connect with McAdoo Tunnels for Suburban Traffic.

3-MINUTE SCHEDULE Cars Will Be Fireproof and Equipped with Motors and Safety Devices.

Trains are to be running under the Hudson on or before Sept. 1 next. The time to Jersey is to be three minutes. Full details of the approaching operation of the vast system of McAdoo tunnels and subway now approaching completion were made public yesterday at the office of the Hudson and Manhattan Railway Company, which is to operate the system.

Of the four tunnels under the Hudson the two northern ones, which extend from Fifteenth street, Jersey City, to Morton street, New York, are now completed under the river and the tubes have been extended under Morton, Greenwich and Christopher streets to Sixth avenue, and up that thoroughfare to a point above Tenth street. The work there is proceeding night and day, toward the terminal at Thirty-third street and Sixth avenue.

SUEWAY THIEVES CAUGHT AT WORK

Four Young "Dips" Arrested During Evening Rush Hour on One Platform.

Subway platforms and entrances have been favorite stamping grounds for pickpockets lately during the rush hours. Until last night the police failed to catch any of the "dips" at work, and their arrest here, but it was with one of two citizens that two prisoners were taken.
